Please ensure you as a parent outline/discuss with your son/daughter the need to be responsible and behave in an appropriate manner.

If your child misses the coach for any reason and is not considered to be at risk it may be that they need to make personal arrangements for the return journey. You should ensure that your child knows what contingency plans they can make should this unlikely incident occur, and also that they have contact numbers and appropriate funds to support a return home. Consideration will be given to the age and maturity of young supporters should these circumstances arise.

I am responsible for notifying Cambridge Fans United of any changes to the emergency contact number(s) provided above* and I understand that failure to do so may result in the refusal to carry the above named child on Cambridge Fans United coaches.

I understand and agree that Cambridge Fans United may revoke the young person's permission to travel at any time.

I confirm that I have read and agree to the Code of Conduct and the Conditions of Carriage.
